

#### **EATON POWERWARE UPS SYSTEMS**

- Single and Three Phase UPS from 500 VA 1100 KW
- Power Distribution Units and Remote Power Panels
- UPS Service and Maintenance Contract

#### **STI TRANSFORMERS (Dry Type)**

- Standard, K Rated and Harmonic transformers
- Power Transformers
- Transformers for Solar/Special Applications

#### **EATON ATS – TRANSFER SWITCHES 20A – 5000A**

- Manual, Non-Automatic and Automatic Transfer Switches
- Open Transition & Closed Transition (Make Before Break)
- “New” Contactor Transfer Switches from Eaton

#### **EATON SURGE PROTECTION DEVICES (SPD/TVSS)**

- SPS/TVSS for service entrance equipment
- SPD/TVSS for commercial and industrial environments
- Electronic Voltage Regulators & Power Conditioners

#### **COOPER - COMMERCIAL & INDUSTRIAL POWER SYSTEMS**

- Single phase transformers (Padmount and overhead)
- Three phase Padmount and Substation transformers
- Renewable Market products (Solar and Wind) with FR3 Fluid

#### **BAE BATTERY SYSTEMS**

- 5, 10 and 15 year battery for UPS Applications
- Stationary Battery for Utility Use
- Photovoltaic Battery for Solar Applications

#### **HITZINGER - GENERATORS, ROTARY UPS, FREQUENCY CONVERTERS**

- Stationary, Containerized and Enclosed Diesel Generators
- Diesel Rotary UPS System for Critical Applications
- Brown Out and Grid Stabilization Solutions

#### **STARLINE - LOW VOLTAGE BUSWAY**

- Overhead Power Distribution
- Highest Reliability with Exceptional Safety
- 120, 208, 240, 480 and 600V

#### **PACKET POWER**

- Wireless Environmental Monitoring
- Smart Cables
- Wireless Power Monitoring
